Publication and Internet Permission

For your protection and privacy, we ask your permission to use your child's picture within our State Department of Education and/or Vocational Student Organization Publication and/or Web site should we desire. Pictures used in publications and on our Web site will include students when they are involved in projects, when they are in groups (classrooms, conferences, activities, contests, or clubs), or when their student group receives recognition at the local, regional, state, or national level. Additionally, the Web site will not include whole names, but will use student's first names only for their protection. Publications will use the student's whole name.

Please check all that apply, sign, and return to your child's teacher.

- I give my permission to use my child's picture on the Internet with his/her first name.  
 I give my permission to use my child's selected school materials (projects, papers, art work) on the Internet.  
 I give my permission to use my child's picture and/or selected school materials (projects, papers, art work) in a publication (magazine, newsletter with his/her name.

OR
